

AG Tour

We do plan on having an AG Tour for those who may be interested. It will last for 4-5 hours and will hi-lite some green houses; some grow your own operations, some specialty crops and some niche crops. It will be very interesting.

This tour will be on Thursday morning beginning at 8:30 AM

Lynn Sprague will be the tour guide. We plan on using a 15-passenger van.

So the tour will be limited to the van unless there are a lot of people interested in this tour.

The charge is \$20.00 per person, which covers the van plus the meal. If you are interested please fill out the form below and mail it along with a \$20.00 check, made out to the NC Association of Soil & Water Conservation Districts and send it: Susan Woodard @ Johnston SWCD, 2736 NC Hwy. 210, Smithfield, NC 27577.
