

# 2011-2012 North Carolina Envirothon Competition

## **2012 State competition**

The North Carolina State Envirothon is scheduled for Friday through Saturday April 20-21, 2012 at Cedarock Park, near Burlington. We have published an Envirothon Guide, which gives more detailed information about the State Competition. Contact your local Soil & Water Conservation District if you do not have a copy. Email [steve.bennett@ncagr.gov](mailto:steve.bennett@ncagr.gov) for high school questions and email Sandra Weitzel at [Sandra.Weitzel@ncagr.gov](mailto:Sandra.Weitzel@ncagr.gov) for middle school questions. Call Steve at 919-791-4307 and call Sandra at 910-791-4310.

## **Wildlife—high school and middle school**

The wildlife profiles this year is set 3 for high school and for middle school. Middle schools do not use wildlife articles found in *Wildlife in NC* magazine. High schools are responsible for Nature's Way articles and North Carolina Wild Notebook articles for all 2011 issues of the *Wildlife in North Carolina* magazine. We have developed a list of 30 common mammals/animals that the teams are responsible for identifying by skins, skulls, scat, sign, mounts, etc. This list will be on the High School Wildlife site. The endangered species list has been updated this year and is included both in the Middle School and High School resources.

## **High School-Middle school---Soils/Land Use**

The soils information will be the same as last year. The soil material on the CD can be found in color if you want to see it in color on a computer.

## **High School-Middle School –Forest Resources**

The forestry study resources will be the same as last year.

## **High School-Middle School--Aquatic Ecology Resources**

This high school aquatic ecology study resources will be the same as last year.

## **High School --Wildlife Resources**

1. Wildlife profile set # 3.
2. Nature's Way articles from January-December 2011 wildlife magazine-*Wildlife in North Carolina*.
3. Wild notebook articles from January-December 2011 issues of wildlife magazine-*Wildlife in North Carolina*.
4. Thirty mammals/animals list
5. Updated list of endangered species (2004) has replaced the 1994 list

## **MIDDLE SCHOOL RESOURCES**

### **Middle School Wildlife Resources**

Along with wildlife profiles set # 3, the middle school teams are responsible for the list of 30 mammals/animals which can be found on the wildlife web site. Also the endangered species list.

## **WEB SITE—You can find the resources plus additional study materials and items of interest.**
